X WILTSHIRE CRICKET

Share Your Volunteer Story Help Shape the Future of Cricket!

Leeds Beckett University, in collaboration with the England and Wales Cricket Board, is exploring barriers to volunteering in cricket, particularly for women, girls, and ethnically diverse groups.

We want to hear from current volunteers (match officials, ground staff, and club committee members) and those involved in volunteer diversity initiatives.

Your experiences and insights will help us understand challenges and shape solutions to advise the ECB on making cricket volunteering more inclusive.
