# CHANCE TO SHINE WHOLE SCHOOL PROGRAMME

**906**

## Hours

We sent specialist coaches into schools, once a week for six weeks, to support cricket coaching

**31**

## Schools

We use cricket to teach children key life skills that will help them beyond the playground, including values such as respect and fair play

**3187**

## Children

Of these children, 1538 were girls and 1649 boys; all receiving six weeks of support through Chance to Shine

**146**

## Teachers trained

Training teachers so that they can continue to deliver Cricket after their programme is finished is a key aim for Chance to Shine

**23**

## Assemblies

We use assemblies to promote the broader values of Cricket and to promote local opportunities beyond the school environment
