WOMEN'S VOLUNTEER LAUNCH EVENT!

On Thursday 18th April Wiltshire Cricket hosted the launch of the Women's Volunteer Network!

Wiltshire Cricket also had a panel of guest speakers:

Esther Jones Russell,

Jane Law, Mollie Robbins and Emma Corney,

Through the creation of this network, we are aiming to create a community for Women in Cricket that goes beyond just coaching and looks to support Women to fulfil various roles within the game.

The ambition for the network is that it becomes a community for Women in any role in Wiltshire to come together on a regular basis, facilitated through our Women and Girls Development Officers. For more information on the Launch Event, head over to the Wiltshire Cricket website
