

# 2020 OSCAs

## Nominations now open

### Connecting Communities

This award is designed to highlight a club, league or community organisation that has supported the members of their community through inspirational methods. Through a diverse range of measures throughout COVID-19 to ensure cricket has played its part in looking after the local community. Innovation and pushing the boundaries are to be rewarded here and we want to recognise the important role played by club, group of people or organisation.

Connecting Communities – Inspiring and diverse offer criteria	
<b>The club, group of people or organisation must show evidence of:</b>	
How they provide an off the field offer that reflects their membership/communities needs	/10
Having a positive effect on their club/group/organisation and other members by creating and delivering initiatives that have supported the local community	/10
Encouraging innovation and being prepared to try new things	/10
Reaching out to their community and ensuring a diverse offer off the field	/10
Displaying enthusiasm and drive to increase the clubs standing in cricket by delivering activity or programmes within their local environment that have benefited those most in need or most vulnerable	/10
WOW factor	/50
<b>TOTAL POINTS</b>	<b>/100</b>
