WVN BOWLING SKILLSET WORKSHOPS

On Wednesday 12th June, Wiltshire Crickets Women's Volunteer Network hosted our first Bowling workshop hosted at Melksham CC.

Over the 2 hour workshop we focused on different drills used to refine bowling skills, Seam/Spin bowling technique and fundamental assets needed for a bowler.

We had a brilliant turn out, thank you for everyone who attended.
Keep your eyes peeled for our upcoming workshops!

UPCOMING WORKSHOPS

Date	Time	Location	Type of Workshop
04/07/24	18:30	Southern Academy of Sport	Health/Nutrition
03/10/24	TBC	TBC	Committee Roles

Wiltshire 1XI v Devon & Hampshire Sunday 16th June @ Potterne CC

A good effort, Wilts! Ultimately, we've played some good cricket there. Generally, we bowled some fantastic deliveries, took vital wickets and put ourselves into a winning position up until the mid-way point in our innings.

There's a few lessons for us to take from this game, before we play Hampshire later today. The first being that we need to consider conceding less boundaries to the short-side, so bowlers, let's consider our lines from either end.

Flo – a great innings of 50, well done! We got ourselves into a strong position there, but didn't quite find the opportunities to capitalise on our position against their slower bowlers. Let's keep things simple, build partnerships and be confident with our skills!
